### ABOUT THE HOST INSTITUTE

Narayana Engineering College was established in the year 1998 under the chairmanship of Dr P Narayana. This is one of the most prestigious institutions sponsored by Narayana Educational Society, across India. Within a short period, the college has witnessed significant growth and established itself as one of the premier private unaided Engineering Colleges in Andhra Pradesh today and in recent times our college was ranked as 'A' Grade by the Govt. of AP.

The Institute offers a 4-year B Tech Programme in six branches at UG level (EEE, ECE, CSE, EIE, ME, CE) and seven courses at PG level (M.Tech-EPE, EPS, VLSI, DSCE, CSE; MBA & MCA) with a total intake around 2500. All the Labs are well established with State-of-the Art facilities and are periodically updated with latest equipment. The Institution has got 9 well furnished Computer Centers with the latest licensed software. In addition to disciplined education, the college consists of an Air Conditioned Central Library with more than 45,000 volumes and a Digital Library with 24-hour Internet facility. A full-fledged Training and Placement Cell facilitates the aspiring professionals in acquiring corporate skills towards grabbing placements in MNCs.

### ABOUT THE CONFERENCE

The International Conference on Emerging Trends in Electrical and Power engineering (ICEEPE-2016) will be held at Narayana Engineering College, Nellore, AP, India on 4<sup>th</sup> April 2016 in collaboration with International Journal of Electrical and Electronics Engineering Research (IJEEER) from TJRPC Journals. Nellore is going to be a hub for a large number of power projects. As of May 2015, the total installed capacity in Nellore district is around 3,000 MW and capacity to the tune of 10,000 MW will be connected to the grid shortly. Nellore is also the place where one of the largest power dispatch stations is located. The objective of the First International Conference on Emerging trends in Electrical and Power Engineering "ICEEPE-2016" is to provide a platform for academicians, research scholars and technocrats to exhibit their research findings and developmental activities in the broad area of Electrical and Power Engineering. This conference will provide opportunities for the delegates to exchange innovative ideas and their experience to find out dealings for future collaborations. The conference is recognized as one of the major conferences in Electrical Engineering.

## CALL FOR PAPERS

- Modeling and Simulation to Electrical Engineering
- Forecasting and Management in Electrical Engineering
- Power Quality and its Enhancement
- System Planning and Reliability
- FACTS
- Power System Protection
- Power System Stability
- Smart Grid
- Intelligent Techniques to Electrical Engineering
- Soft Switching and Hard Switching Converters
- Matrix Converters
- Power Converters Modeling
- Active Filters and Harmonics
- Electric Drives and Application
- AC and DC Machines and Drives

## IMPORTANT DATES

- Submission Deadline : February 29<sup>th</sup> 2016
- Acceptance of Notification : March 7<sup>th</sup> 2016
- Submission of Camera Ready Paper : March 14<sup>th</sup> 2016
- Registration Deadline : March 21<sup>st</sup> 2016
- Conference Date : April 4<sup>th</sup> 2016
